

Giyani Submits Updated Environmental Management Plan

OAKVILLE, Ontario, March 28, 2019 -- Giyani Metals Corp. (TSXV: EMM, GR: A2DUU8) (“Giyani” or the “Company”) is pleased to announce that it has completed its response to the comments provided by the Botswana Department of Environmental Affairs (“DEA”) on the Company’s initial environmental management plan for K Hill (“EMP”). The updated EMP was submitted to the DEA on March 26, 2019. The Company expects to submit the updated Otse and Lobatse EMP’s in the very near future.

Robin Birchall, CEO of Giyani commented:

“I am very pleased with the pace of progress of our EMPs. The Giyani team, in partnership with our environmental consultants in Botswana, has been very diligent in providing a comprehensive response to the DEA’s comments and has completed this part of the process in a timely fashion. We will share further developments on the progress of our EMPs as they become available.”

About Giyani

Giyani is a Canadian based junior exploration company focused on creating shareholder value by accelerating the development of its battery-grade manganese projects in the Kanye Basin, Botswana, Africa.
