

## Giyani Submits Updated Environmental Management Plan For Otse

OAKVILLE, Ontario, April 08, 2019 -- Giyani Metals Corp. (TSXV: EMM, GR: A2DUU8) ("Giyani" or the "Company") is pleased to announce that it has completed its response to the comments provided by the Botswana Department of Environmental Affairs ("DEA") on the Company's initial environmental management plan for the Otse deposit ("EMP"). The updated EMP was submitted to the DEA on April 5, 2019. The Company expects to submit the third, and final, updated EMP for Lobatse in the next few days.

### **Robin Birchall, CEO of Giyani commented:**

*"As with the initial EMP submissions, we continue to execute within the timelines that we have set back in February during our operational planning for 2019. The resubmission of this updated EMP for Otse sets the stage for Giyani to start preparing for the implementation phase once the final response from the DEA in Botswana is received."*

### **About Giyani**

Giyani is a Canadian based junior exploration company focused on creating shareholder value by accelerating the development of its battery-grade manganese projects in the Kanye Basin, Botswana, Africa.
