

Giyani Closes Bought Deal Public Offering Raising Gross Proceeds of Approximately C\$11.5 Million

Not for distribution to U.S. newswire services or for dissemination in the United States

TORONTO, Ontario, March 24, 2021 -- Giyani Metals Corp. (TSXV:EMM, GR:A2DUU8) ("**Giyani**" or the "**Company**") is pleased to announce that it has today closed its previously announced bought deal equity financing (the "**Offering**"). A total of 16,916,500 units of the Company (the "**Units**") were issued at a price of C\$0.68 per Unit for gross proceeds of C\$11,503,220, which included the exercise in full of the over-allotment option granted by the Company to the Underwriters (as defined below). Each Unit consists of one (1) common share (each, a "**Common Share**") and one half of one (½) Common Share purchase warrant (each whole Common Share purchase warrant, a "**Warrant**"). Each Warrant will entitle the holder to purchase one Common Share at an exercise price of C\$1.00 per Common Share until September 24, 2022.

The Offering was co-led by Cormark Securities Inc. and Beacon Securities Limited (together, the "**Underwriters**"). In connection with the Offering, the Underwriters received a cash commission equal to 5.5% of the gross proceeds of the Offering. Giyani also issued an aggregate of 930,407 broker warrants to the Underwriters that entitle the holders thereof to purchase Common Shares until September 24, 2022 at a purchase price of C\$0.68 per Common Share. The Units were offered by way of a short-form prospectus dated March 19, 2021 (the "**Prospectus**") in each of the provinces of Canada, except Québec.

The net proceeds of the Offering will be used for drilling, a demonstration plant (pilot plant), completion of a feasibility study, basic engineering and front end engineering and design, prepayments for long lead order items, additional staffing costs and other general corporate purposes, as further described in the Prospectus.

The Offering is subject to the final acceptance of the TSX Venture Exchange.

Robin Birchall, CEO of Giyani Metals Corp. commented:

"We are delighted with the outcome of the bought deal equity financing and would like to thank the Underwriters for their sterling performance for the Company. The Company is now very well capitalized to progress towards the completion of the Feasibility Study and further on towards the next steps of basic engineering, front-end engineering design and pre-payments for long lead order items."

About Giyani

Giyani Metals Corp. is a mineral resource company focused on the development of its K.Hill, Lobatse & Otse manganese oxide projects in the Kanye Basin, Botswana, Africa. The Company's flagship K.Hill project is a near-surface deposit currently going through a feasibility study to produce high-purity electrolytic manganese metal and manganese sulphate, both key cathode ingredients for batteries in the expanding electric vehicle (EV) market.

Neither the TSX Venture Exchange (the "TSXV") nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this news release.

The securities described herein have not been registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws, and accordingly, may not be offered or sold to, or for the account or benefit of, persons in the United States or "U.S. persons," as such term is defined in Regulation S promulgated under the U.S. Securities Act ("U.S. Persons"), except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the Company's securities to, or for the account or benefit of, persons in the United States or U.S. Persons.

Forward Looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. All statements in this news release, other than statements of historical fact, that address events or developments that Giyani expects to occur, are "forward-looking statements". Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "does not expect", "plans", "anticipates", "does not anticipate", "believes", "intends", "estimates", "projects", "potential", "scheduled", "forecast", "budget" and similar expressions, or that events or conditions "will", "would", "may", "could", "should" or "might" occur. Specific forward-looking statements and forward-looking information herein includes receipt of TSXV final approval for the Offering and intended use of net proceeds of the Offering.

All such forward-looking statements are based on the opinions and estimates of the relevant management as of the date such statements are made and are subject to certain assumptions, important risk factors and uncertainties, many of which are beyond Giyani's ability to control or predict. Forward-looking statements are necessarily based on estimates and assumptions that are inherently subject to known and unknown risks, uncertainties and other factors that may cause actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking statements. In the case of Giyani, these facts include their anticipated operations in future periods, planned exploration and development of its properties, and plans related to its business and other matters that may occur in the future. This information relates to analyses and other information that is based on expectations of future performance and planned work programs.

Forward-looking information is subject to a variety of known and unknown risks, uncertainties and other factors which could cause actual events or results to differ from those expressed or implied by the forward-looking information, including, without limitation: inherent exploration hazards and risks; risks related to exploration and development of natural resource properties; uncertainty in Giyani's ability to obtain funding; commodity price fluctuations; recent market events and conditions; risks related to the uncertainty of mineral resource calculations and the inclusion of inferred mineral resources in economic estimation; risks related to governmental regulations; risks related to obtaining necessary licenses and permits; risks related to their business being subject to environmental laws and regulations; risks related to their mineral properties being subject to prior unregistered agreements, transfers, or claims and other defects in title; risks relating to competition from larger companies with greater financial and technical resources; risks relating to the inability to meet financial obligations under agreements to which they are a party; ability to recruit and retain qualified personnel; and risks related to their directors and officers becoming associated with other natural resource companies which may give rise to conflicts of interests. This list is not exhaustive of the factors that may affect Giyani's forward-looking information. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in the forward-looking information or statements.

Giyani's forward-looking information is based on the reasonable beliefs, expectations and opinions of their respective management on the date the statements are made, and Giyani does not assume any obligation to update forward looking information if circumstances or management's beliefs, expectations or opinions change, except as required by law. For the reasons set forth above, investors should not place undue reliance on forward-looking information. For a complete discussion with respect to Giyani and risks associated with forward-looking information and forward-looking statements, please refer to Giyani's financial statements and related MD&A, all of which are filed on SEDAR at www.sedar.com.
