

## **Giyani Appoints Directors to Botswana Subsidiary - Menzi Battery Metals**

OAKVILLE, Ontario, July 06, 2020 -- Giyani Metals Corp. (TSXV:EMM, GR:A2DUU8) ("**Giyani**" or the "**Company**") is pleased to announce the appointment, with immediate effect, of Mr. Thuso Dikgaka and Mrs. Maureen Mokgaotsane to the board of Menzi Battery Metals ("**Menzi**"), the Company's wholly owned subsidiary in Botswana.

Mr. Dikgaka is a well-respected veteran of the Botswana mining sector, with over 40 years of experience in operations and management. He is a former Mining Manager for the Debswana Orapa diamond mine and the Tati Nickel Mining Company, as well as a former Director of the Botswana Department of Mines. Mr. Dikgaka has a bachelor's degree in Mining Engineering from the Technical University of Nova Scotia (now Dalhousie University) in Halifax, Canada.

Mrs. Mokgaotsane is an established mining executive with 20 years of experience in the private and public sectors in Botswana. She is currently a Non-Executive Director of Sekaka Diamonds, a wholly owned Botswana subsidiary of Petra Diamonds. Prior to Sekaka, Mrs. Mokgaotsane has held a number of executive roles with Petra Diamonds, Firestone Diamonds, Debswana Diamond Company and the Botswana Ministry of Minerals, Energy and Water Resources. She has a master's degree in Mining Engineering from the University of the Witwatersrand and a bachelor's degree in Geology from the University of Botswana.

### **Robin Birchall, CEO of Giyani Metals Corp. commented:**

*"We are very excited with the addition of Thuso and Maureen to the team. They respectively bring a wealth of project development, operational and government experience within Botswana. Their involvement will be of significant added value and will solidify our credibility within the local community of Kanye, as well as at government level. We look forward to their contributions as the Company advances its flagship K.Hill manganese project towards the completion of its feasibility study."*

In accordance with the Company's stock option plan, a total of 375,000 options, exercisable at a price of \$0.15 per share, have been granted in relation to the above appointments. The options grant also includes an award to the Company's Botswana Country Manager, Mr. Kneipe Setlhare. The options have a five-year term and vest immediately.

### **About Giyani**

Giyani Metals Corp. is a mineral resource company focused on the development of its K.Hill, Lobatse & Otse manganese oxide prospects in the Kanye Basin, Botswana, Africa. The Company's flagship K.Hill project is a near-surface deposit currently going through a feasibility study to produce high-purity electrolytic manganese metal and manganese sulphate, both key cathode ingredients for batteries in the expanding electric vehicle (EV) market. Additional information and corporate documents may be found on [www.sedar.com](http://www.sedar.com) and on Giyani Metals Corp. Website: <https://giyanimetals.com/>.

### **About Menzi Battery Metals**

Menzi Battery Metals is a wholly owned Botswana subsidiary of Giyani Metals Corp, incorporated in accordance with the laws of Botswana.

### **On behalf of the Board of Directors of Giyani Metals Corp.**

## **Forward Looking Information**

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. All statements in this news release, other than statements of historical fact, that address events or developments that Giyani expects to occur, are "forward-looking statements". Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "does not expect", "plans", "anticipates", "does not anticipate", "believes", "intends", "estimates", "projects", "potential", "scheduled", "forecast", "budget" and similar expressions, or that events or conditions "will", "would", "may", "could", "should" or "might" occur.

All such forward-looking statements are based on the opinions and estimates of the relevant management as of the date such statements are made and are subject to certain assumptions, important risk factors and uncertainties, many of which are beyond Giyani's ability to control or predict. Forward-looking statements are necessarily based on estimates and assumptions that are inherently subject to known and unknown risks, uncertainties and other factors that may cause actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking statements. In the case of Giyani, these facts include their anticipated operations in future periods, planned exploration and development of its properties, and plans related to its business and other matters that may occur in the future. This information relates to analyses and other information that is based on expectations of future performance and planned work programs.

Forward-looking information is subject to a variety of known and unknown risks, uncertainties and other factors which could cause actual events or results to differ from those expressed or implied by the forward-looking information, including, without limitation: inherent exploration hazards and risks; risks related to exploration and development of natural resource properties; uncertainty in Giyani's ability to obtain funding; commodity price fluctuations; recent market events and conditions; risks related to the uncertainty of mineral resource calculations and the inclusion of inferred mineral resources in economic estimation; risks related to governmental regulations; risks related to obtaining necessary licenses and permits; risks related to their business being subject to environmental laws and regulations; risks related to their mineral properties being subject to prior unregistered agreements, transfers, or claims and other defects in title; risks relating to competition from larger companies with greater financial and technical resources; risks relating to the inability to meet financial obligations under agreements to which they are a party; ability to recruit and retain qualified personnel; and risks related to their directors and officers becoming associated with other natural resource companies which may give rise to conflicts of interests. This list is not exhaustive of the factors that may affect Giyani's forward-looking information. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in the forward-looking information or statements.

Giyani's forward-looking information is based on the reasonable beliefs, expectations and opinions of their respective management on the date the statements are made, and Giyani does not assume any obligation to update forward looking information if circumstances or management's beliefs, expectations or opinions change, except as required by law. For the reasons set forth above, investors should not place undue reliance on forward-looking information. For a complete discussion with respect to Giyani and risks associated with forward-looking information and forward-looking statements, please refer to Giyani's financial statements and related MD&A, all of which are filed on SEDAR at [www.sedar.com](http://www.sedar.com).
